### AN OHIO NEWS-

#### PAPER ANARCHIST.

[By Associated Press.]

Columbus, O., Sept. 17.—Clarence  
M. Jones, proprietor of the Press-Post  
was rescued by the police from a mob  
of several thousand people last even-  
ing and a squad of patrolmen is now  
guarding the building in which the  
printing plant is located. Today's edi-  
tions of the paper contained both edi-  
torial and head lines referring to the  
dead president in a manner offensive  
to a grief stricken people.

H. C. Watkins, sexton of the Meth-  
odist church, Springfield, Pa., says:  
"My wife has been very bad with  
kidney trouble and tried several doc-  
tors without benefit. After taking one  
bottle of Foley's Kidney Cure, was  
much better, and was completely cured  
after taking four bottles."

### IF WOMEN ONLY KNEW.

What a Heap of Happiness it Would  
Bring to Guthrie Homes.

Hard to do housework with an aching  
back.

Hours of misery at leisure or at work.

If women only knew the cause;

Backache pains come from sick kid-  
neys.

Doan's Kidney Pills will cure it.

Guthrie people endorse this:

Mrs. L. Homsher, of 402 South  
Third street, says: "Every few  
months during the last eight years an  
attack of sick headache annoyed me  
for two or three days. I took most  
everything for it, yet I was unable  
to eradicate the cause. It was sug-  
gested to me one day that the an-  
noyance might be caused by my kid-  
neys and I was advised to try Doan's  
Kidney Pills. Procuring a box at J.  
N. Wallace's drug store I was more  
than agreeably surprised to find that  
the attack from which I was suffer-  
ing disappeared. I believe I now  
know what caused all my trouble."

For sale by all dealers. Price 50  
cents. Foster-McMillan Co., Buffalo,

### MORMON GIRL CARNIVAL QUEEN.

Beautiful Daughter of President Snow  
Given Peculiar Honor by  
Lodge.

(From Philadelphia Inquirer.)

Salt Lake City, Utah, Sept. 17.—  
Miss Mabelle Snow, daughter of Presi-  
dent Snow of the Mormon church,  
will reign over the Elks' carnival in  
Salt Lake City the week beginning  
September 16. The fact that Miss  
Snow was selected for this honor has  
unusual significance.

The Elks' lodge in Salt Lake City is  
composed almost entirely of non-Mor-  
mons, and it was decided to honor  
Miss Snow with the selection above  
a number of Gentile girls under con-  
sideration. On the other hand, the  
Mormon church has always been on  
record as opposed to secret societies.  
Its first recognition of a secret society  
was the tendering by President  
Snow of the use of the Tabernacle and  
assembly hall to the Elks for use when  
the national organization meets in  
Salt Lake next year. The next recog-  
nition was the acceptance by Miss  
Snow of the regency of the carnival.

She concluded to accept the position  
only after consultation with her father,  
who advised her to do so.

Miss Snow is an attractive young  
woman in her early 20's. She has re-  
ceived a good education and is popular  
in both Mormon and non-Mormon  
circles.

During the carnival Miss Snow will

wear on public occasions a crown  
made especially for her and containing  
\$10,000 worth of precious stones. Her  
robes will also be costly and of  
special design. She will be attend-  
ed by ten ladies in waiting, also  
handsomely garbed.

### The Public Library.

A called meeting of the Guthrie Fed-  
eration of Women's clubs will be held  
tomorrow (Wednesday) at 3 o'clock  
at the public library. This meeting is  
called that the city federation may  
officially transfer the public library  
to the new board of directors appoint-  
ed by the city.

### Pleaded Under Peace Bond.

In the case of the Territory against  
Jerry Hamilton, before Justice Glad-  
dish this morning, Hamilton was  
charged with assault and placed un-  
der a peace bond of \$200. The case  
was continued until tomorrow at 2  
o'clock.
